Presenting *reviewit*:
The Bridal Issue

A departure from the traditional wedding guides, modern-day brides can now ensure that their wedding is anything but ordinary with the exclusive *reviewit* Magazine Bridal Issue. We help brides to find wedding professionals that cater to their every need. From gorgeous bridal party fashion to exotic honeymoon destinations, our bridal guide has every aspect of your picture-perfect wedding covered.

The Woodlands, Lake Conroe, Montgomery, Tomball, Magnolia and Spring are home to some of the most elite venues and wedding professionals in Texas. Because of this, brides are flocking to our community to plan the biggest day of their lives.

Our long and established history in the community uniquely positions us to uncover the most palatial venues, extravagant caterers, opulent jewelry and attire solutions, and so much more. Our bridal issue is the definitive wedding guide for The Woodlands and surrounding areas. The issue is also home to out-of-the-box décor ideas, gorgeous gowns, sparkling veils, on-trend floral arrangements, decadent cakes and desserts, style reports, and exuberant destination weddings.
